Le Clos Rouge

Rouges du Sud-Ouest

Buzet « Les Prieurs de Fonclaire » 2007

Fine wine with already melted tannins. Concentrated and sweet with long finish of plums and nuts.

Madiran « Fruit noir » 2007

Toasted on the nose, notes of liquorice and spicy tannins: a true Madiran!

Rhône Valley

Vacqueyras « cuvée prestige » 2007

AOC since 1990, this remarkable wine is much better value than a Châteauneuf and offers the same quality. Herbaceous and Provencal on the nose, its palate is typical: rich verging on rounded.

Crozes-Hermitage « Yann Chave » 2007

Fireworks of morello cherries and cashew nuts on the nose followed by a palate of ripe fruit and nuts. The tannins are world-class. A delightful treat.

Châteauneuf-du-Pape « Château Mont-Redon » 2004/2005

This young Châteauneuf is aging to perfection with emerging notes of black cherries, brambles, redcurrants and toast grass. With time, it will slowly evolve towards liquorice and nutmeg.

Beaujolais

Brouilly « Château de la Chaize » 2007

A full-bodied wine with strong tannins and notes of candied fruit. A lovely finish of Morello cherries.

Saint Amour « Domaine du Père Louis » 2006/2007

Morello cherries and nuts with very subtle notes of violets and cashew nuts.

Moulin à vent « Domaine des Perelles » 2004/2006

Red berries and redcurrant blossoms on the nose followed by a pleasant palate of ripe Gamay grape.
